Anna Molik
ul. Bolesława Chrobrego 12
55-050 Sobótka
Poland

To whom it may concern:

Ms Molik delivers high quality and professional interpreting services as well as demonstrates excellent interpersonal skills. During half a year of World Bank team's collaboration with Ms Molik, she has proved her very high interpreting competencies and goal-oriented approach performed under tight deadlines. Reliability and flexibility constitute Anna's additional strengths.

I can strongly recommend Anna as a Polish-English interpreter and a team member.
